SAN JUANER SUGGESTED.

NO. 51.

THE INDEX.

Mates, N. M., Friday, Jan. 27, 1899

RAPREITY.

The lower house of the New Mexico legislature had barely perfected its organization when contests against three of the Democratic members were acted on and the Democrats unseated. Pablo lupe, Republicans, were substituted. With the unseating of these three each citizen for road purposes. Democrats there is left only two J. E. Wharton and T. D. Lieb.

upper house, and the Republican general government. Albuquerque Citizen is candid enough in explaining why. "There is no contest in the council," it says, "the Republicans fearing no tent and upright men in their acceptance obstruction from the two Demo- of the duties and responsibilities of the crats, Richardson and Valdez!"

Add the two Democrats in the council to the two in the house, of the cases in point. and the total population of Democrats in the thirty-third assembly is four, showing an average Democratic population throughout the territory of about oo oo per square

While the g. o. p. is entitled to all praise for its magnanimity in allowing two horrid Democrats in each body to retain their seats, statutes that could be desired, but it is feared that the Republican we believe the vast majority will endorse leaders are inclined to understimate every proposition hereia set forth. The the power of a pair of Democrats in action. Two is one too many, if can plot. Two can talk expansion, second each other's motions and invite one another to take a drink.

Two is dangerous. If it isn't too Two is dangerous. If it isn't too Two is dangerous and the territorial press.

Two is dangerous and the territorial press.

The tus consider the affect of the law of 1863 exempting \$200 from the total property of every head of a family. If returns are honestly made the effect is to reduce the taxable property of the territory and raise the rate of laxation. No one gets any advantage over his ity against any emergency that may arise.

To be sure, the poet says that-To have a giant's strength; but it is tyr. To use it like a glant."

torial politics, and they live not in New Mexico.
